Webinar Checklist

- Laptop, mobile, or desktop with webcam
- Students will receive an email with login info prior to their lesson starting
- Login 5-10 min before lesson starts via clicking “Join Zoom Meeting”, or by clicking the mobile link if on your phone
- For webinars, lesson times will be your regular day/time every week
- Place your camera/video device where you and your instrument are clearly visible. If on guitar, piano or drums, the instructor being able to see both hands will be most important.
- We may need to check our volume levels before the lesson begins to make sure we can hear each other and that there is no distortion
- We will need to make sure we can see each other before lessons start
- For some classes, (ex. Drums), we may need to set up our lesson so we can see you, but not vice-versa for logistic reasons.
- For drum set players, it would be really helpful if someone could point the camera where needed, (hand, foot technique)

Extras – Important!

- Parents must be present during every lesson for every student, (excluding adults of course 😊)
- All extra PDF’s and lesson plans will be emailed to each student after class has ended
- All questions regarding lessons can be emailed to info@grooveacademy.ca or texted to 204.819.4102. Our land line is 204.254.2184
